

Terms and Conditions for Using File-Service.org Tuning File Modification Services

1. General Provisions

1.1. These terms and conditions define the rules for using tuning file modification services provided by File-Service.org.

1.2. Clients using the services of File-Service.org accept these terms and conditions and agree to comply with their provisions.

2. Purpose and Application of Modifications

2.1. The services provided by File-Service.org are exclusively for the customization of tuning files for private, experimental, or sports purposes.

2.2. Tuning files customized as part of the provided services are not intended for use in vehicles operated on public roads.

3. Usage Restrictions

3.1. The client acknowledges that modifications to tuning files may affect the vehicle's compliance with applicable road traffic regulations, including emission standards and safety requirements.

3.2. Vehicles equipped with modified tuning files may only be used in controlled environments, such as race tracks, testing areas, or other designated locations.

3.3. The client agrees not to use vehicles with modified tuning files on public roads or in a manner that violates applicable laws.

4. Liability

4.1. File-Service.org is not liable for any damages resulting from the use of vehicles with modified tuning files in a manner inconsistent with these terms and conditions or applicable laws.

4.2. The client assumes full responsibility for any consequences related to the use of vehicles after tuning file modifications.

5. Client Rights and Obligations

5.1. The client agrees to use the services as intended, i.e., for testing, sports, or off-road purposes.

5.2. The client declares that they are aware of all risks and limitations associated with tuning file modifications.

6. Final Provisions

6.1. File-Service.org reserves the right to amend these terms and conditions.

6.2. Continued use of the services after changes to the terms and conditions constitutes acceptance of those changes.

6.3. For any questions or concerns regarding modifications, please contact the File-Service.org support team.
